HomeView Vinyl Siding

Quality. Style. Performance.

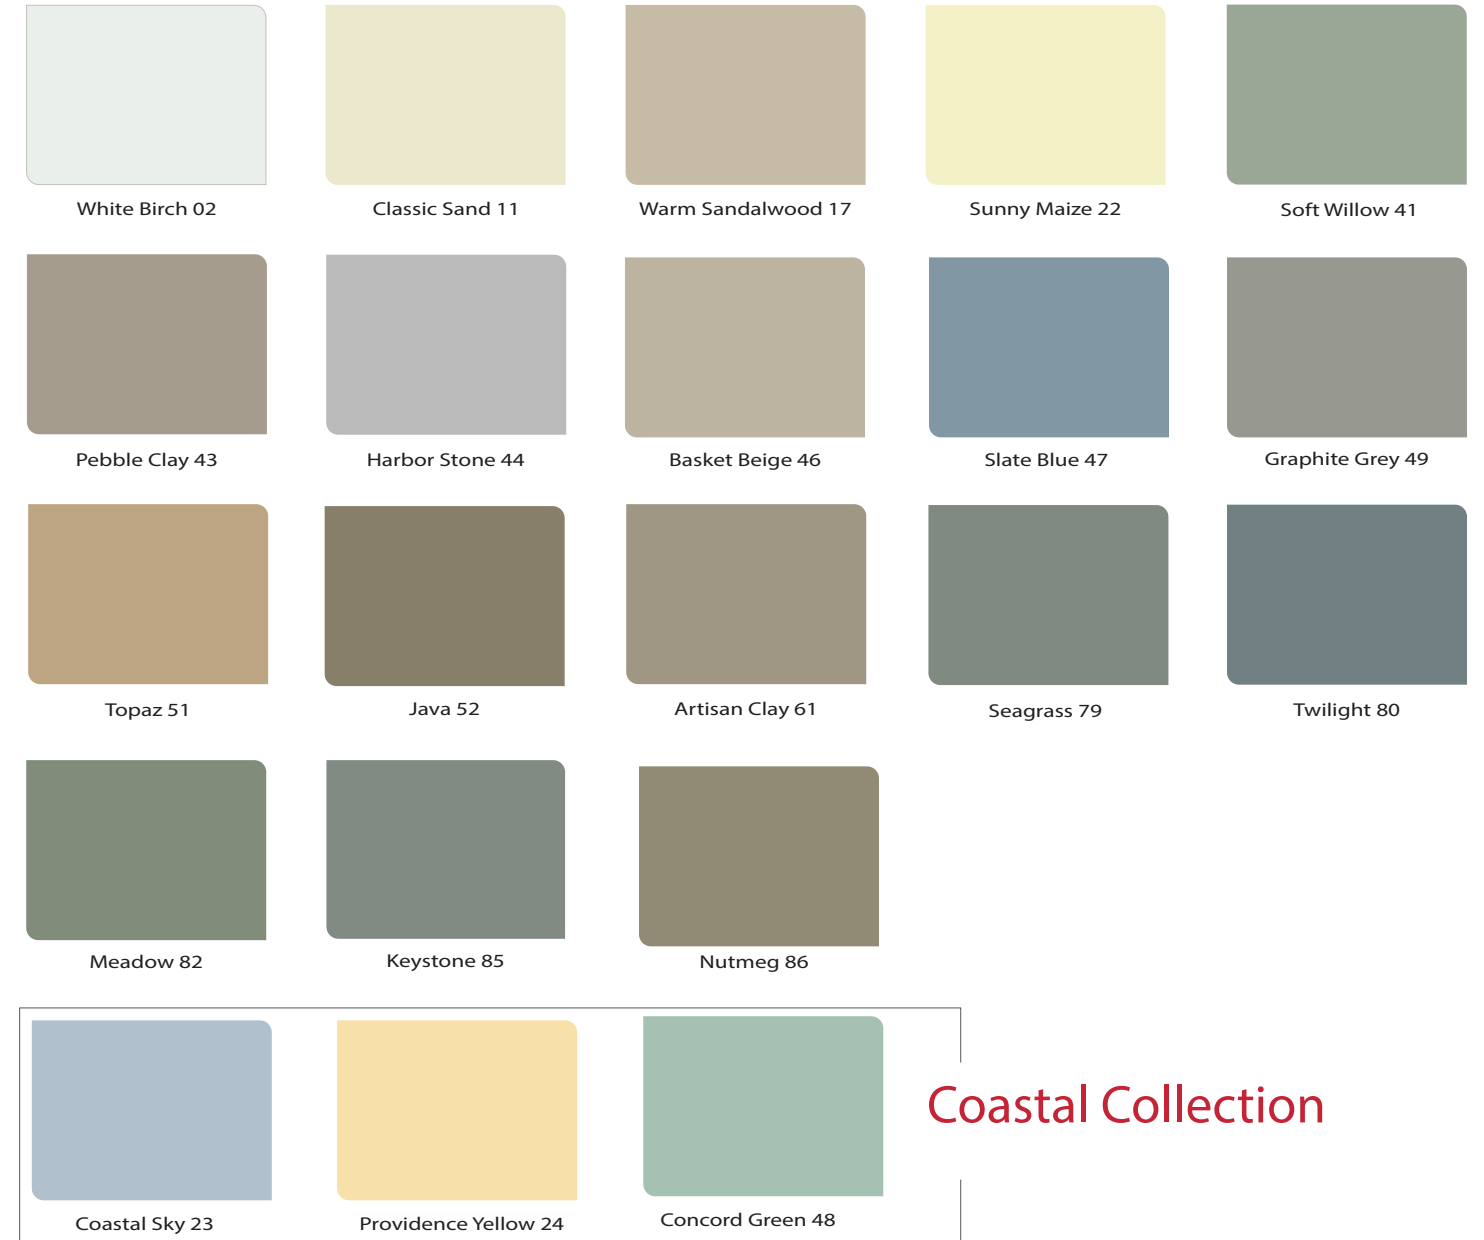

HomeView vinyl Siding

Polaris® continues to offer quality building products with **HomeView** vinyl siding. An exterior product of choice by contractors, architects and builders offering unprecedented quality. **HomeView** vinyl Siding meets or exceeds industry standards for ASTM D3679 and the Vinyl Siding Institute. Great Style that will impress any home owner - and their neighbors! Deep cedar wood grain emboss and low luster finish is standard for **HomeView** vinyl siding. A full spectrum color palette allows creativity either as a primary choice of color for an entire house, of strategically placed as an accent. Performance offer peace of mind with reinforced nail-hems and positive locking system. The enhanced thickness and strength makes sure panels remain straight and true ensuring resistance to denting, hail damage and scratches. Plus **HomeView** vinyl Siding never needs painting!
